

Year 1 Autumn Term Second Half Term

Reading and Phonics

The children will continue to learn phonics through Read Write Inc lessons. They will be reading books appropriate to their phonics stage and completing writing activities which allow them to practice using these sounds. Please continue to read with your child at home and support with homework activities.

DT

In DT this half term, we are looking at healthy eating. We will be learning how to safely cut vegetables with sharp knives. We will be making crudités and vegetable kebabs.

Art

During our Art lessons, we will be learning about the artist Piet Mondrian and exploring using some of his painting techniques.

Springfield Infant School & Nursery

Maths

In Maths, we will be looking at numbers to 10, adding and subtracting them, 2D and 3D shapes.

Science

In Science, we will be looking at magnets, learning about trees and learning about the types of animals there are.

Geography

In Geography, we will be learning about the United Kingdom. We will be learning the 4 countries, their capital cities and the seas and oceans that surround it. We will then move into the continents and oceans of the world.

Music

In Music, the children will learn how to develop their feeling and understanding of pitch, beat and duration.

PE

In PE, we will be learning to play golf and doing gymnastics.

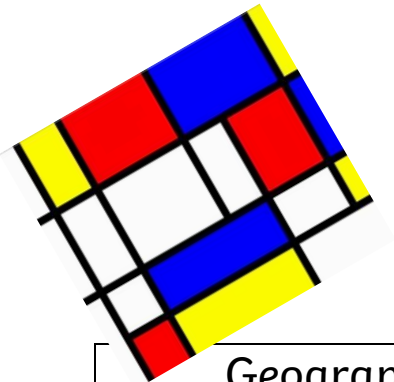

RE

In RE we will be looking at different religions and making comparisons between them with a focus on celebrations and the Christmas story.

Computing

This half term, we will be learning about technology and the different types there are.

As part our learning this term,
we will be focussing on the following vocabulary.

Geography	Science	Art	DT
vast azure rotated expanse ocean continent polar atlas	nutrients stem deciduous evergreen mammal amphibian reptile	palette primary colours brushstroke bristles ferrule handle	senses vitamins sensory claw technique bridge technique
