

Reading and Phonics

The children will continue to learn phonics through Read Write Inc lessons. They will be reading books appropriate to their phonics stage and completing writing activities which allow them to practice using these sounds. Please continue to read with your child at home and support with homework activities.

Maths

In Maths, we will be learning how to count to 100. We will also revisit strategies to help us to add and subtract.

Music

In Music, the children will learn how to develop their feeling and understanding of pitch, beat and duration.

PE

In PE, we will be going to First Strokes to learn how to swim.

Science

In Science, we will be learning about parts of a plant and growing our own!

RE

The world Religion we will be focusing on this half term is Christianity.

DT

In DT this half term, the children be looking a structures and joins. They will use what they have learn to build their own tower.

History

In History, we will be finding out who Neil Armstrong and Mae Jemison are and what they have achieved. We will be comparing their achievements, thinking about what is similar and what is different.

Computing

This half term, the children will be learning how to paint a picture using the computer.

Art

During out Art lessons, we will be learning how to create our own sculpture using clay and recycled materials. We will take inspiration from the artist Kenojuak Ashevak.

Neil Armstrong

As part our learning this term,
we will be focussing on the following vocabulary.

History	Science	Art	DT
legacy inspire pioneer explore orbit astronaut expedition	bud flower leaves seed wild stem	inuksuk smooth pebble balance construct model	tower topple lean foundation balance perpendicular

Mae Jemison

The Enchanted Owl
 By
 Kenojuak Ashevak
 (1960)

Conquest of Fire
 inspired by the work of
 Kenojuak Ashevak
 (2003)
