 pet
 jungle
 sea
 ocean
 extinct
 predator
 prey

What do pets need? Would you like to visit a Rainforest/ the Savannah/ a jungle? Do you know the difference between between Predators and Prey? What creatures live at the seaside/ in oceans? What can you find at the seaside? Would you rather be at the beach or the town? What is the weather like in the Summer?

Please talk with your child about the images you can see on the knowledge map and explore the meaning and practise using the fridge words.
You could keep the Knowledge Map on your fridge as a reminder of this term's topic!
