

# Springfield Infant School & Nursery School Improvement Plan

**Challenge 2022-24** Building an exceptional, irresistible curriculum which challenges every child and inspires critical thinking.

Ofsted Sept '21

## Wider Curriculum Development

The wider curriculum will be carefully planned & reconstructed to meet the needs of the school community & support the development of subject knowledge & creative teaching for staff.

## Core Curriculum Development

The percentage of pupils on track to achieve the Expected standard and Greater Depth in reading, writing and maths will return to at least pre-pandemic levels through high quality teaching and targeted intervention which removes barriers to progress.

## EYFS Curriculum Development

The EYFS curriculum will be carefully reconstructed to meet the needs of the school community; support the rapid development of school readiness & social skills & ensure early subject specific skills which are part of the planned learning progression throughout the school.

## Social, Emotional & Mental Health

The grounds and play experiences of the children are planned through the lense of our curriculum drivers to promote who we want our children to become and positive SEMH.
