

Reading and Phonics

The children will continue to learn phonics through Read Write Inc lessons. They will be reading books appropriate to their phonics stage and completing writing activities which allow them to practice using these sounds. In Talk for Writing lessons we will be learning to retell the Little Red Hen using active storytelling actions to help us to remember. Please continue to read with your child at home and support with homework activities.

DT

In DT this half term, the children will learn how to make a picture move using slider mechanisms.

Art

During our Art lessons, we will be learning about the artist Albrecht Durer and will be learning lots of different drawing and sketching techniques.

Maths

In Maths, we will be exploring numbers to 10, learning how to order, add and subtract them. We will also explore shapes.

Science

In Science, we will be learning about seasonal changes, why day becomes night and about the features and types of tree.

History

In History, we will be thinking about how we have changed as we have grown, how the toys we play with have changed as we have gotten older and we will also be thinking about how toys have changed over time.

Music

In Music, the children will learn how to develop their feeling and understanding of pitch, beat and duration.

PE

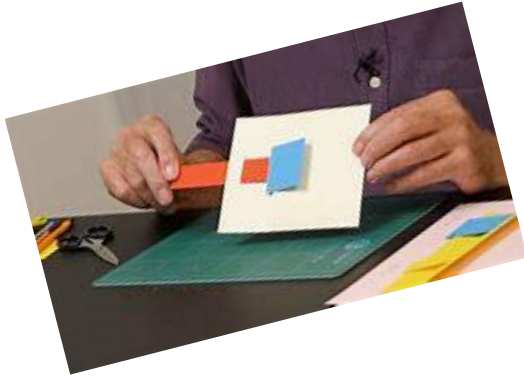

In PE, we will be learning the skills needed to play football and handball.

RE

In RE we are looking at 'belonging' and how it feels to belong to something. They will also learn about how Christian families welcome babies with baptism.

Computing

This half term, the children will be learning to recognise different types of technology.

As part our learning this term,
we will be focussing on the following vocabulary.

History	Science	Art	DT
toddler timeline lifetime memory compare stages	dawn dusk rotate month season mild soaked	drawing pressure orientation cross-hatching texture monochrome	slider slot bridge push pull rigid
